## **PRE-ADMISSION ESSAY**

NCME-NE requires a pre-admission essay as a means of evaluating your ability to communicate in writing.

Please answer the following question in 300 words with attention to composition and presentation (word process or write legibly, use correct sentence and paragraph structure, spell accurately, clearly explain your thoughts in the content of this essay). We have provided some prompts to help you get started and/or organize your thoughts.

- Why do you want to become a Montessori Teacher?
- What characteristics do you possess that you feel will make you successful in the area of teaching?
- Why do you want to take this Montessori teacher education program?
- How and when did you hear about the Montessori method of education?
- Where and when did you observe a Montessori classroom? What was your impression?
- Have you seen another type of preschool when class was in session? Describe the school. What was your impression?
- Have you read any of Dr. Montessori's books? Explain your thoughts about her work.
- Have you had any previous experience working with children? Explain how this experience impacted your decision to pursue Montessori teacher education.
- How do you intend to use your Montessori education in the future?

## **NON-DISCRIMINATION POLICY**

NCME-NE actively seeks qualified students, faculty and staff to reflect the diverse backgrounds in our community. NCME-NE strives to provide an enriching curriculum and educational experience for all students, recognizing that global teaching and learning helps form strong, positive self-concepts and develops respect for human differences. The Program's curriculum and philosophy encourage understanding and respect for these differences while affirming fundamental similarities of humankind. Our cooperative community encourages the exploration of new concepts.

All members of the NCME-NE community are valued for their contributions, talents and opinions. The philosophy, curriculum and administration of our programs aim to create an inclusive learning environment with respect to economic background, gender, race, national and ethnic origin, cultural heritage, religion, sexual orientation, disability, marital status, and political beliefs. NCME-NE integrates diversity and character education in each learning opportunity to empower students to actively approach each new experience with courtesy and acceptance.
