

Ex Libris

A remembrance is sought as your child's birthday nears,
A gift that is fitting in praise
Of another page turned in the book of years,
That gives honor in these special ways:

First, a book from a list of volumes we need
Could be chosen to celebrate
Each student's name, birthday-both of which we'd
Then inscribe on a handsome bookplate.

Now, a present like this will aid more than just one.
By sharing, examples you show.
Future pupils will learn, through the deed that you've done,
And your gift helps our library grow.

HARBORLIGHT'S

BIRTHDAY BOOK PROGRAM

Dear Parents,

You are invited to celebrate your child's birthday by making a donation to the Harborlight Library through the Birthday Book Program.

A special bookplate with your child's name and birthday will be placed in the front of the book(s). For infant through 3rd graders, the story will be read to the class with an announcement that it is from your child. In all grades, he or she may be the first person to borrow the book.

If you would like to participate in the birthday book program, please fill out the form to the right and return it to the department Program Director. Attached you will find a book "wish list" but feel free to choose a favorite of your own.

Please consider honoring your child's special day with a donation to Harborlight's Library collection for all the students to use.

Thank you!

Elisa Pitkin
Director of Elementary & Middle School Education

Rachel McAlpine
Director of Early Childhood Education

Elizabeth Stone
Infant/Toddler Program Director

Birthday Book Program

Student's Name: _____

Birthday: _____

Class: _____
